

THE EXCLUSIVE GOLDEN TRIANGLE TOUR

www.thailandwinetoday.com

Wine Tasting on the Mekong River, visit Luang Prabang – World Heritage site in Laos, Tachileik Shwedagon Pagoda in Myanmar and Chiang Rai the capital of the Golden Triangle

The famous Golden Triangle where the borders of Thailand, Myanmar and Laos meet is becoming a-must-visit destination in the north of Thailand!

The Golden Triangle was the opium growing area that spread across three countries. Today opium is replaced by tourism but our program is a little different to other luxury tourist trails.

We invite wine connoisseurs and wine lovers to take the exclusive trip with us – instead of seeing the Golden Triangle region on foot, by car on the rough roads or slow uncomfortable boat, we'll take you on an air-conditioned boat to the world heritage site "Luang Prabang", once the capital of Laos.

For your enjoyment of wines during the tour you don't have to pay for wine at restaurant prices. We'll prepare all wines you wish to drink and keep the price down to a level as with the airport duty free shop (please see our wine list).
